Polymer Skin
Sheet metal Skin
Avionics
Both
Manual Only
Autopilot Only
Electrical subgroup
Battery
Power generator
Tail Configuration
T-tail
H-tail
No tail
Conventio nal tail
V-tail
Inverted V-Tail
Twin Boom
Canard
Configuration
Low wing
Mid wing
Flying wing
High wing
Delta wing
Prandtl Infinite Wing
Fuel tanks
Wing Mounted Only
Fuselage Mounted Only
Both
Mounting Location
Wing-mounted
Buried engine
Fuselage mounted
Number of engines
1 engine
2 engine
Jet Engine + Auxiliary
Fuel compatibility
SAF-only
JET-A1
Diesel
Mounting points
On wings
On fuselage
Structure
Retractable
Fixed
Skids
